

## **Singer 1306 Start Sewing Machine**

Designed for beginners.

The Singer 1306 sewing machine is simple to use yet has enough features to allow you to exercise your creative talent. Getting started is easy with its bobbin winding system; pre-set stitch width and length features, and its six built-in stitches. Its large dial makes it simple to change stitches. It offers easy threading, two needle positions, a 4-step buttonhole and free accessories.

- 6 Built-in Stitches - The right stitch: easier sewing with better results. Includes most popular stitches: 4 Basic, 1 Decorative and a 4-Step Buttonhole
- 4-Step Buttonhole - Guides you through every step for professional looking results
- Easy Threading - Easy, threading path saves time.
- Simple Stitch Selection - Change stitches in one easy step
- Heavy Duty Metal Frame - The internal rigid support holds all the mechanisms in perfect alignment for skip-free sewing and overall durability.
- Extra High Presser Foot Lifter - Offers more clearance, which is needed when placing multiple layers of bulky fabric under the presser foot.
- Free Arm - Easily sew sleeves and cuffs
- Snap-On Presser Feet - Expands your creative sewing possibilities. Quick release for easy on and off - change presser feet in a snap!
