Learning to sew is fun and easy with the SINGER® SIMPLE™ sewing machine, created with beginning sewers in mind. This machine gives you all of the foundational features you need for a strong start. Plus, it's fully equipped to meet your needs for years to come as you continue to advance. You'll be surprised by what you can create on an easy-to-learn, easy-to-love sewing machine!

- Easy Stitch Selection - Simply choose the stitch that's right for your project.
- Adjustable Stitch Length & Zigzag Width - Keep your seams strong and prevent bunching on any type of fabric with adjustable stitch length and zigzag width.
- 21 Built-In Stitches - Twenty-one built-in stitches offer a variety of options for fashion sewing, crafts, home décor and decorative sewing.
- 1 Fully Automatic 1-Step Buttonhole - Buttonholes made easy!
- Easy Threading - Simply follow the threading instructions printed right on the machine for easy threading!
- 4 Snap-On Presser Feet - Snap-on presser feet make changing from one to another effortless--no screwdriver required.
- Automatic Bobbin Winding - The needle bar automatically disengages when winding the bobbin making bobbin winding safe.
- Heavy Duty Metal Frame - The rigid interior support holds all the mechanisms in perfect alignment for skip-free sewing.
- Extra-High Presser Foot Lifter - The extra high presser foot lifter offers more clearance when placing multiple layers of bulky fabric under the presser foot.
- Multiple Needle Positions - Needle positions can be changed for individual projects including inserting zips, cording and topstitching.
- Free Arm with On-Board Storage - The free arm provides easy access to cuffs, collars, trouser hems and other difficult-to-reach areas. The on-board storage provides easy access to the included accessories.
- Adjustable Tension - This system ensures stable stitch quality, whatever type of fabric you use.
- Portable - The machine has a built-in carry handle making it easy to transport the machine.
