

**PRODUCT DESCRIPTION**

Toulouse Gents Wardrobe White

## DEAR CUSTOMER

Thank you for purchasing your new piece of furniture from Dunelm.

We put a lot of effort in the design and construction of our products to ensure they set the standard for quality, durability and ease of assembly.

If for any reason you feel we haven't lived up to the high standards we set ourselves, please don't hesitate in contacting us on 03451 656565 where our team will be very keen to understand what has gone wrong and, more importantly, put it right.

### The Next Step...

There is no need to feel daunted by the number of parts and fittings in front of you, we have compiled this straight forward, step-by-step guide to make sure that assembling your furniture is as easy as 1, 2, 3.

Before you begin, we advise that you check that you have everything you need to get started.

#### TOP TIP

Find a space to spread these out across the floor before you begin assembling them. Lay each panel down in position, ready to build. It is recommended that two people assemble this product together.

The full list of furniture parts, fixtures and fittings, as well as the tools you will need for assembly can be found on page 3 and 4 of this manual.

#### TOP TIP

Identify all of the fittings, make sure that you have them all prepared and familiarise yourself with each component, to make things easier when you are putting it all together.

## Safety and Care Advice

**IMPORTANT** - The first step you need to take is to ensure your safety!  
Please take the time to read and understand these instructions before assembling your furniture.

Keep children and animals away from the assembly area.

This furniture contains small parts that could cause choking if swallowed.

Keep all plastic wrapping materials away from children to avoid danger of suffocation.

Ensure that all packaging is disposed of carefully and responsibly.

Make sure that you allow enough space to move around when assembling your furniture.

Dust regularly with a soft clean lint free cloth or duster.

The use of abrasive polishes or silicon based polishes is not advised as these can affect the polished finish and joints over time.

## Tools Required

Cross head screwdriver (Not provided)

X

Allen key (Provided)

## Before you start

Check the pack and make sure you have all the parts listed above. If not, contact the helpline on 03451 656565 who will be able to help you.

When you are ready and sure that you have the right tools to hand, you will need plenty of space and a clean dry area for assembly.

## Ready?

Follow this step-by-step guide

Step 1: Attach the left hand side (C) and the right hand side (D) to the base unit (A).  
Secure using bolts (Q) x 4.

Step 2: Attach 3x cam bolts (M) to panel (I).  
Insert 2x dowels (L) into the ends of panel (I).  
Insert 6x cam locks (N) into centre panel (E).  
Attach connecting panel (I) to centre panel (E) and secure by turning cam lock (N).

Step 3: Attach 3 x cam bolts (M) to base unit (A).  
Attach centre panel (E) and secure by turning cam locks (N).

Step 4: Insert back panels (G) into the unit, locating them into the grooves in the assembled panels and base unit.

Step 5: Place the top (B) onto the assembled unit. Secure using bolts (R) and (Q).

Step 6: Attach magnetic catches (S) x 4 to the top and bottom of the unit, using screws (U) x 8. Attach doors (F) x 2 using screws (U) x 12. Attach handles (P) to the doors using bolts (K). Attach metal plates (T) x 4 onto the corners of the doors using screws (O). Ensure that the metal plates line up with the magnetic catches when the doors are closed. Insert hanging rails (H) x 2 and small shelf (J) into the unit. Carefully lift the unit into place. We recommend a minimum of two people to do this.

This wall fixing is provided for your safety and we recommend that it is used for extra stability of the item.

Please use the levellers (W) provided if the floor surface is uneven.

- **Important note:**
- Wall fixings are not supplied as different walls require different fittings
- Please ensure you use fittings that are suitable for your wall type.
- When drilling into walls always check there are no hidden wires or pipes etc.
- Make sure that the screws and wall plugs being used are suitable for supporting your unit.
- Consult a qualified tradesperson if you are unsure.
- Customer Services contact number : 0345 165 65 65.

## Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose fixtures or screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Wood is a natural product and each piece individual. The colour will mellow over time and new items can vary in shade from items that you have already purchased. We also recommend that any ornaments, coasters and items placed on the product are periodically moved around to allow the colour to mellow evenly.

As a natural product wood is affected by temperature and humidity. We recommend that you avoid placing the furniture directly in front of heat sources such as radiators or fires as this can cause cracking or warping over time.

Always use mats and coaster to protect the surface when placing items on the furniture. This will help to protect the finish from heat, liquids or items that might scratch your furniture.

Some items will be supplied with a wall fixing strap which we recommend is used to secure the item to prevent your child from accidentally pulling furniture onto themselves.

Remove any spills immediately to avoid staining

Always lift your furniture into place - avoid dragging it across the floor as this can cause damage to joints.

Finally, we hope you enjoy your furniture for many years to come and thanks again for your purchase.
